12-22-09

On page 9 line 15 it reads "LADA" this should be changed to "LATA". This change should be noted as an amendment .

12-28-09

On Page 8 line 1, after Commissioner Elliot makes another motion, it reads that the motion died for a lack of a second I believe it's Chairman Box that makes that official announcement but immediately after Commissioner Elliot begins speaking again and it doesn't read "Commissioner Elliot:" so it appears as if it's a continuation of Chairman Box speaking. The correct indication of the speaker should be noted as an amendment.

On page 3, line 3 it reads Chairman Box: I now convene a regularly scheduled bench session. This meeting was in fact a pre-bench session. This change should be noted as an amendment.

Also on this date, page 4 line 9 forum should be changed to quorum. This change should be noted as an amendment.

This memo will be attached to the bench session meeting minutes for 12/22/09, 12/28/09, 01/05/10, and 01/12/10. The Commission will vote on these changes at the February 10, 2010 bench session.
